I drew

two images of girls sitting on a wall wearing socks and clothes which has this fun polka dots on it. After I drew two girls, I thought that something was missing so I created a tote bag which is hold by a girl and its hanging on wall. I colored the images with Prisma colors and added the polka dots with Memento marker. I created the frame for the picture by using basic Grey's paper. I applied Distress ink (Antique linen) on my card base and adhere the picture frame. I love the sentiment, I guess it goes perfect with the picture, it is by Hero Arts (CL371 & CL695). I love this cute scene, it reminds me of my childhood, I hope it will make you happy too. ?

Thank you so much for stopping by and see you all soon.
