

It's Your Day!!

Description

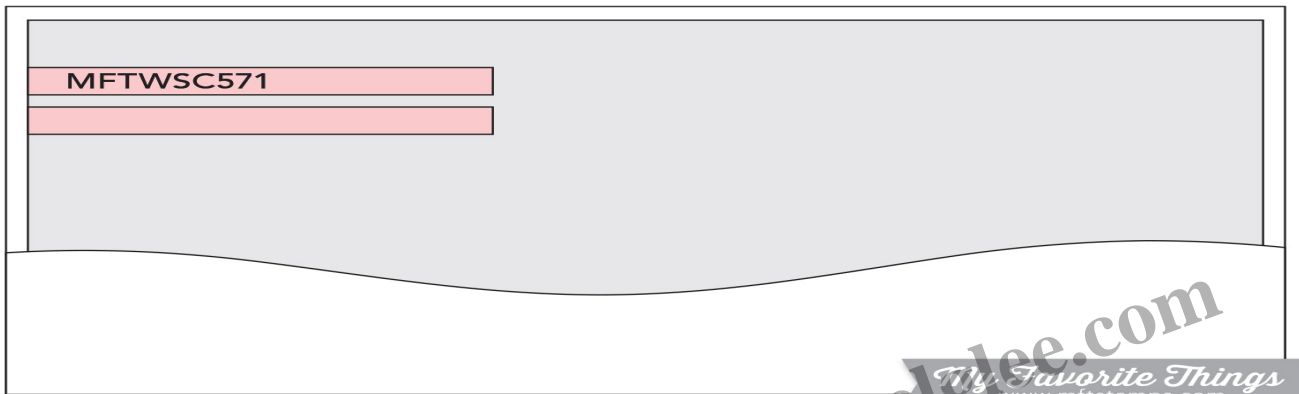

Hey everyone!! I am here with a cute winter birthday card.

Here's my card

I love this adorable set by MFT and I have made so many cards using this set and I still can make tons of cards as this is the most cutest set. I coloured my images using Polychromos pencils and did some masking and ink blending on the mini slimline card base using Distress Ink. Added these adorable images and lots of white paint splatters for the fun winter effect and this birthday card was ready.

Thank you so much for visiting.
