For this card I used “Jumbo Love” by Penny Black. This is a super adorable set and I used one of the cute elephant image who is holding a heart balloon, cute isn’t it? I colored him using my Prisma colored pencils. Also I bought my first modeling paste, though I used it few months back for this [tag](#) but that was made by me and it was having more texture but the one which I got yesterday from Hobby Lobby is little smoother and I love it. ðŸ™, and used it to create those dotted background, I colored the modeling paste using two different Distress Inks (Mustard Seed, Picked Raspberry) and used the stencil and created the background. After it dried completely I adhere my image and attached craft thread for balloon. Finally added some stickles. I love the effect of modeling paste, it gives nice texture and that cute image look lovely on it. Hope you will like my cute and simple design. ðŸ™,

Thank you so much for visiting, see you all soon. ðŸ™,
