I cut out some gorgeous flower images from a very pretty patterned paper which I had. On a black card base I added some white splatters using acrylic paint and added gold stripes for extra interest. Added the flowers and leaves images with some layers and lastly added some matching gem stones. Lastly, added the sentiment. I love the bright and bold flowers on that artsy background, it really stands out. Hope you will like this card.

Thank you so much for stopping by, see you all very soon. ?
