

Just Saying Hello

Description

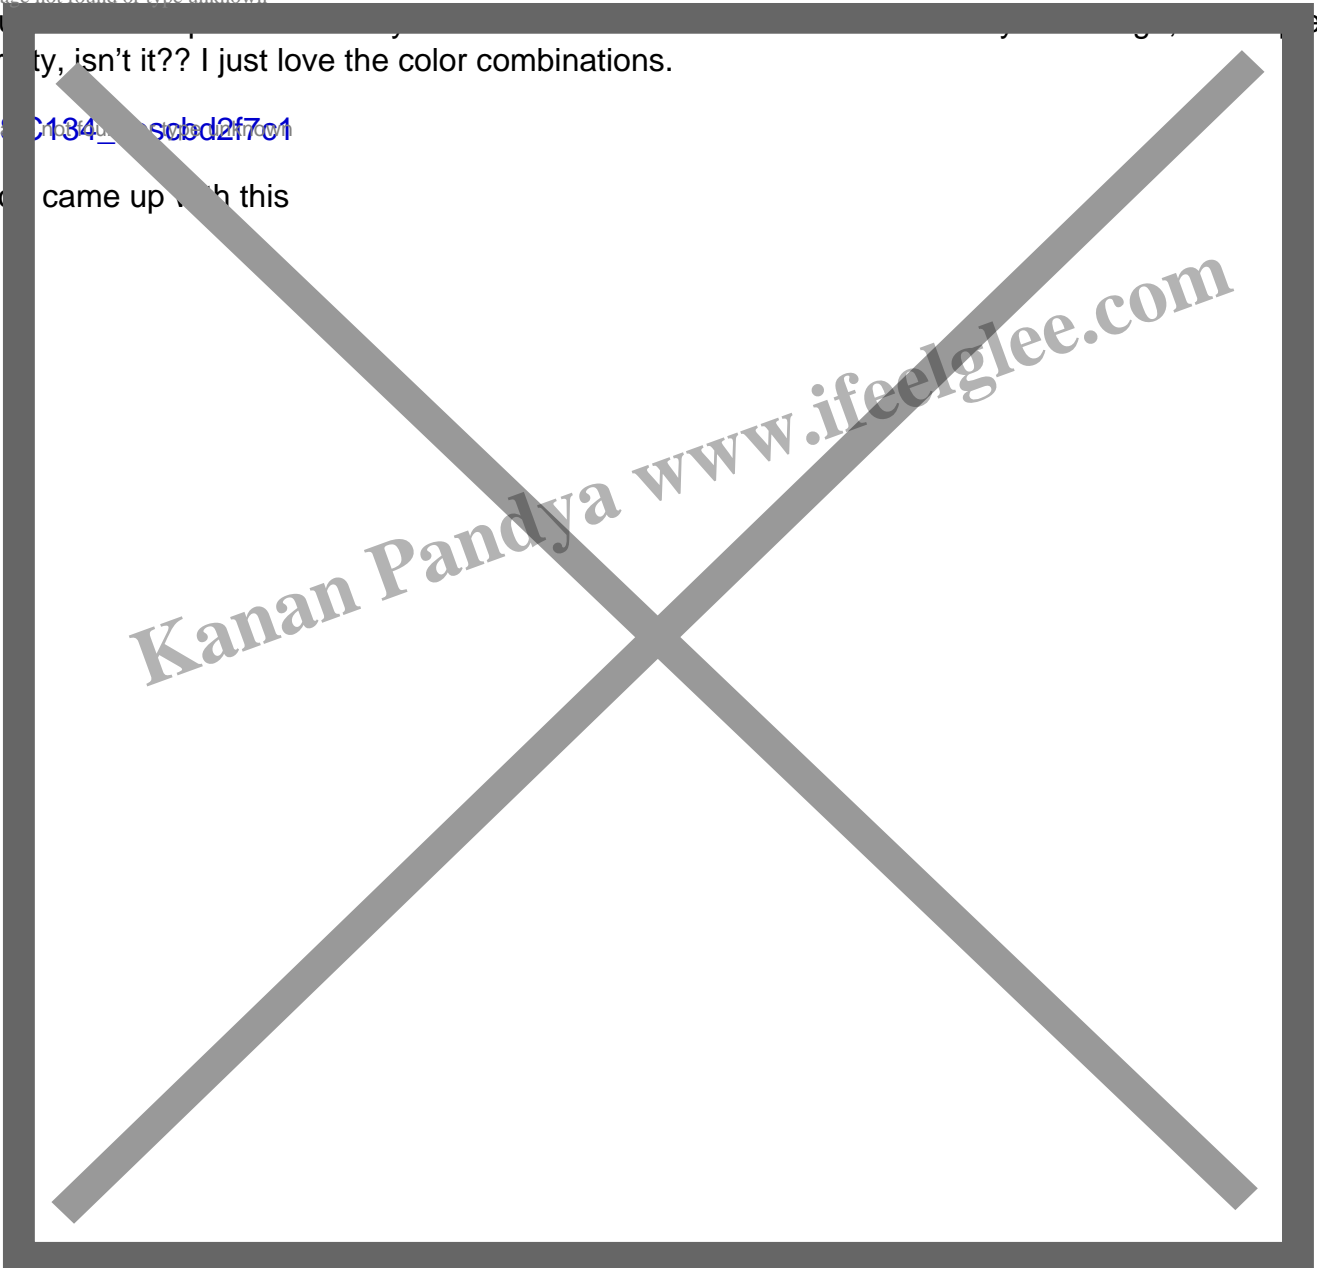

Hello All!!! Today's card was kind of experiment for me, which turned out good and I am happy with the result. ?

Image not found or type unknown

But I think it's a good experiment and I think it's a good idea and priority, isn't it?? I just love the color combinations.

So I came up with this

I first

time used stencil to create my card, I bought this stencil more than a year ago, just for fun and never ever used it, so thought to give a try for making card, so I choose one flower design from that stencil and used Memento inks (Danube Blue & Pear Tart), then I used my white gel pen for the shading on the flowers, I liked the smudged effect, I stamped few stitching lines on bottom using Fiskar's border stamp with Memento ink (London Fog), all these colors looks great together. And finally added sentiment form Hero Arts (CL305).

Thank you so much for visiting and always leaving sweet comments. ?
