
Live For The Moment!!

Description

As I promised in my earlier post here I am back with one more card. you can find my first post [here](#).

Save my name and contact information to participants for the challenge.

Here is my card

I made

this card little taller then the usual card size. I love all the bright colors of the patterned papers and got inspired by it and made this card using tiny house image by “My Favorite” set by Hero Arts. Love how bright and happy it looks. Hope you will like this card.

Thank you so much and see you all in some time as I have one more card to post. ?
