Make A Wish!!

Description

Hello friends, I am here with an adorable card.

my new “*Hello*” and “*Wish*” sets by *Waffle Flower*. I just love the adorable images. Colored the images using *Copic Markers*. For the background panel I used *Distress Inks* and sprinkled some water drops for that fun effect. Die-cut that panel using SSS scalloped border die. Added the panel on card base and also added the cute images. I love those cute images against that soft background.

Thank you so much for visiting my blog. Hope to see you all soon.
