banner A very cute card for the Penny Black's current "Beat the Heat" challenge.

Here is the card

I love

this "Sweet & Cute" birthday stamp set by Penny Black and particularly love this cute images of mouse sitting on moon and cute mouse wearing tutu. So I creates a cute scene using both the images. I inked the background by using memento and Distress Inks and created a night scene and colored the images with Prisma pencils. I added little banners by using American Crafts and Basic Grey's patterned papers and lastly added little hearts and stickles. I love the dreamy look of the card and I guess the sentiment is perfect for the scene and also any little girl would love this cute mouse wearing tutu. Hope you liked this sweet and simple birthday card. ?

Thank you so much for visiting and see you all very soon. ?
