Hello friends!! I am here with a new card.

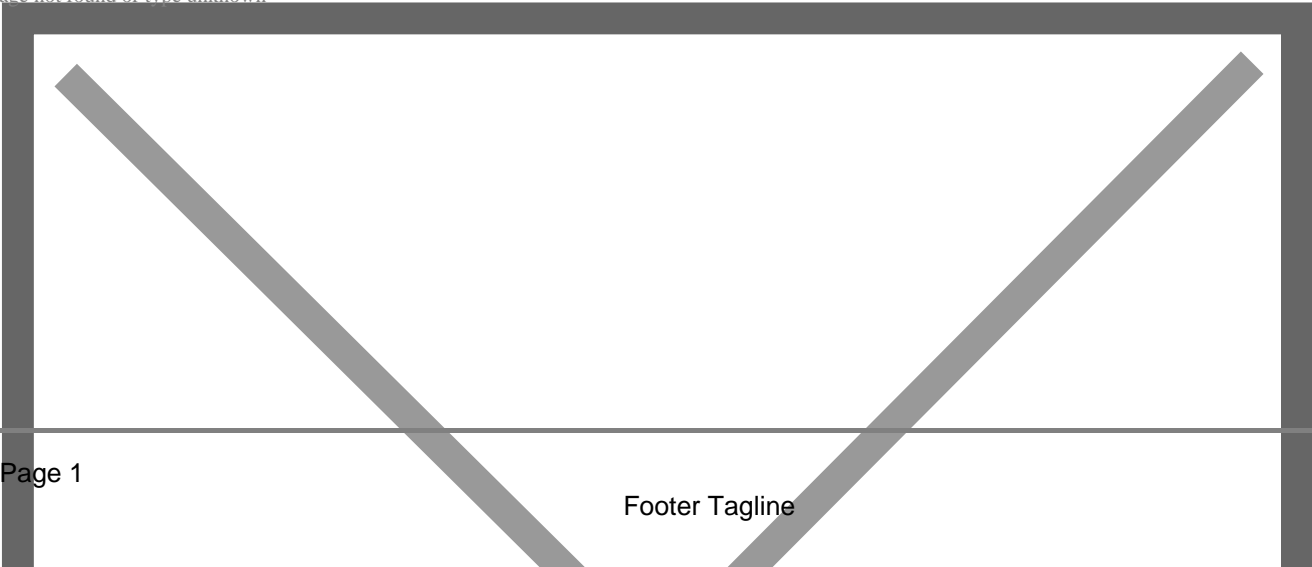

Love

the colors at Altenew's May Inspiration Challenge.

Here's my card.

I used

the “*Happy Bloom*” set by Altenew for my card. I water colored the images using zig markers. On a card base I splattered the same colors for some texture look and adhered the images in layers to give it a dimension look. Added the sentiment from the “*Painted Greetings*” set. Lastly, added the matching gems and my card was done. I really love these colors together and how it looks against that splattered background. Hope you will like my card.

Thank you so much for stopping by, see you all soon. ?
