Hello friends, Kanan here. Today I am going to share a card which I again made using "[Rays Of Sunshine](#)" collect by [Joy Clair Designs](#).

I used "[Modern Duet Bundle](#)" and "[Spring Rose](#)" sets for this card. I love this artsy leaf image and decided to watercolour it using watercolours. On a white card base I adhered a patterned paper strip which was having this beautiful mix of pastel shades. On a separate white panel I added some splatters using watercolours to match the image and the strip, added the sentiment and image and adhered the whole panel to the card base.
