[V.V. Challenge #4 \(June\)](#)

The current challenge at Virginia's View is all about Tag and Scrapling and the interesting twist is to use a recycle item to your project.

Here's my take.

Kanan Pandya www.ifeelglee.com

I inked the tag using Distress inks and Memento inks. After that I used a stencil which I got from local craft store and inked the flower image using Antique linen Distress ink. I really like the light shade against those bright colors. The butterfly is from Hero Arts printable and I colored it with Prisma pencils and added some glitters on it. Now for the recycle item I used the reverse side of caution holder of Starbucks Coffee cup. I inked it with Distress ink and tear it into stripes. The sentiment is also by Hero Arts. Lastly added a twine and few gems. Hope you will like this tag.

Thank you so much for stopping by and please stay tuned as I am coning back with more card. ðŸ™,
