This weekâ€™s cue word at CASology is TOY. These days I am always surrounded by toys because of my year old daughter and that gave me idea of making todayâ€™s card. I drew a bunny, train, a ball and rings also a giraffe peeking through train. I colored all the images with Prisma colored pencils. This card just make me very happy. Hope it will make you happy too.

Thank you for visiting y blog, see you all very soon.
