Deekshita Jaideep

Hiii all

I'm Deekshita from Mangaluru, India. I'm a stay-at home mom to adorable pre-schooler in a day and yes, paper crafter by night

My papercrafting journey started back in 2017 as I had to quit my analyst job and accompany my husband to UK. It all started with making simple handmade cards to give his colleagues using my limited supplies. By then I was hooked and there is no looking back I was introduced to a whole

new family of crafters who inspire and support each other.

My forte is Critters and love to use them in my cards. Ink blending and color play are my card's spotlight. I enjoy making them since my little one loves the story behind them. If I'm not busy at household chores, you can spot me playing on some challenges they give room to brainstorm with supplies.

Creating personalized handmade cards not only calms mind after a crazy routine but gives immense joy witnessing the reactions of those who receive your lovely crafted creations.

I'm so honoured and grateful for Kanan for inviting me over her blog and to share my creation !! Thank you and wish you many success in your crafting adventures

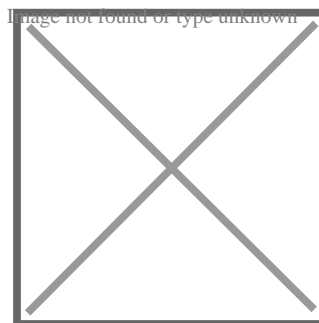

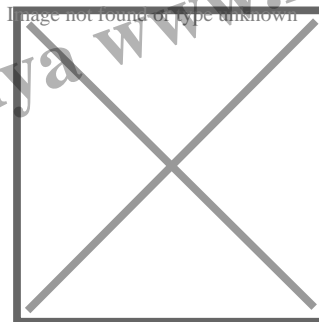

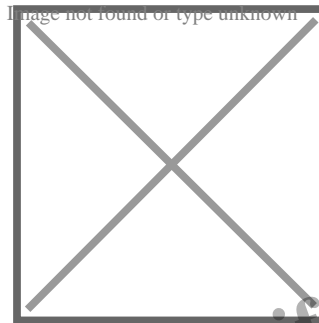

Hugs ,

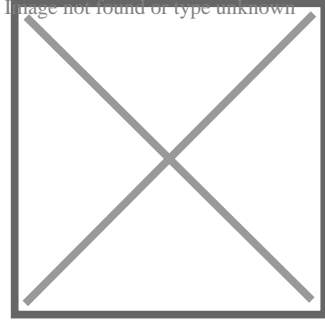

Deekshita
