Sending Happy Thoughts!!

Description

Hello All I am back with another card. I love doodling, and always love to add my own creations on my cards. You will see some doodled flowers on my today's card. ðŸ™,

fusion1I love this new challenge called Fusion, you have to choose either of the inspiration picture or you can choose both, so I combined both the inspiration pictures (Sketch and the Picture) and created my card.

This week's CAS-ual Friday's challenge is also about chevrons and flowers

andya www.ifeelglee.com cfc97I decided to enter my card at CASE Study challenge also, love JJ Bolton†s inspiration card, so beautiful.

So I came up with this card

20130408 103002

20130408_103036I used chevron patterned paper from American Crafts (Dear Lizzy Neapolitan Collections), the minute I saw those pretty flowers on cake, I just wanted to create some for my card so I drew some roses and petals and colored them with Prisma colored pencils, I added the sentiment from Hero Arts (CL305).

Thank you so much for stopping by and see you soon. ðŸ™,
