

Sending Hugs and Happy Thoughts!!

Description

Hello everyone!! I am here with a new card.

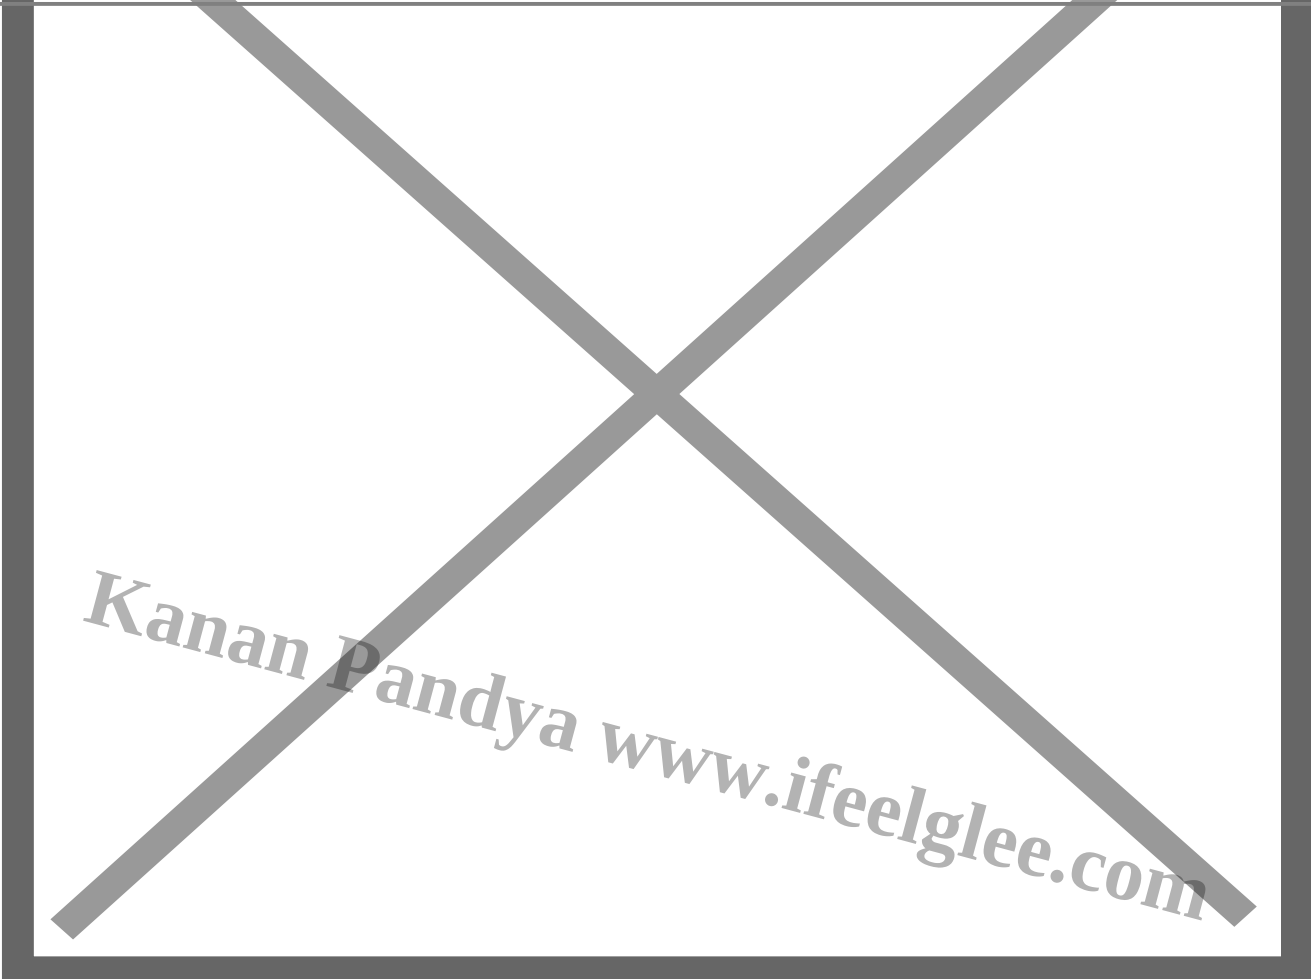

Beautiful color combinations of the current Altenew

challenge.

Here's my take!!

I got

this beautiful stamp from Altenew "Floral Frames" a few days back and thought to use for this card. I masked the main floral image and stamped the two leaves images. I colored them using many mediums. I first colored the flowers with the lightest shade of pink Distress ink and after that used Gelatos for a little darker tone, same did for leaves with using greens. After that I highlighted part of the images with Polychromos pencils. I used the zig marker to color the background and did the wet on wet technique. I adhered the front to panel on a card base and added doily on the bottom and right corner of the card for more texture and interest. The sentiment is also by Altenew "Beautiful Day" set. Added some matching sequence. Love that the design and stamping go so well with the long sized card. It looks like a wedding invitation card to me, what do you think?

Thank you so much for stopping by and see you all very soon. ðŸ™,
