Description

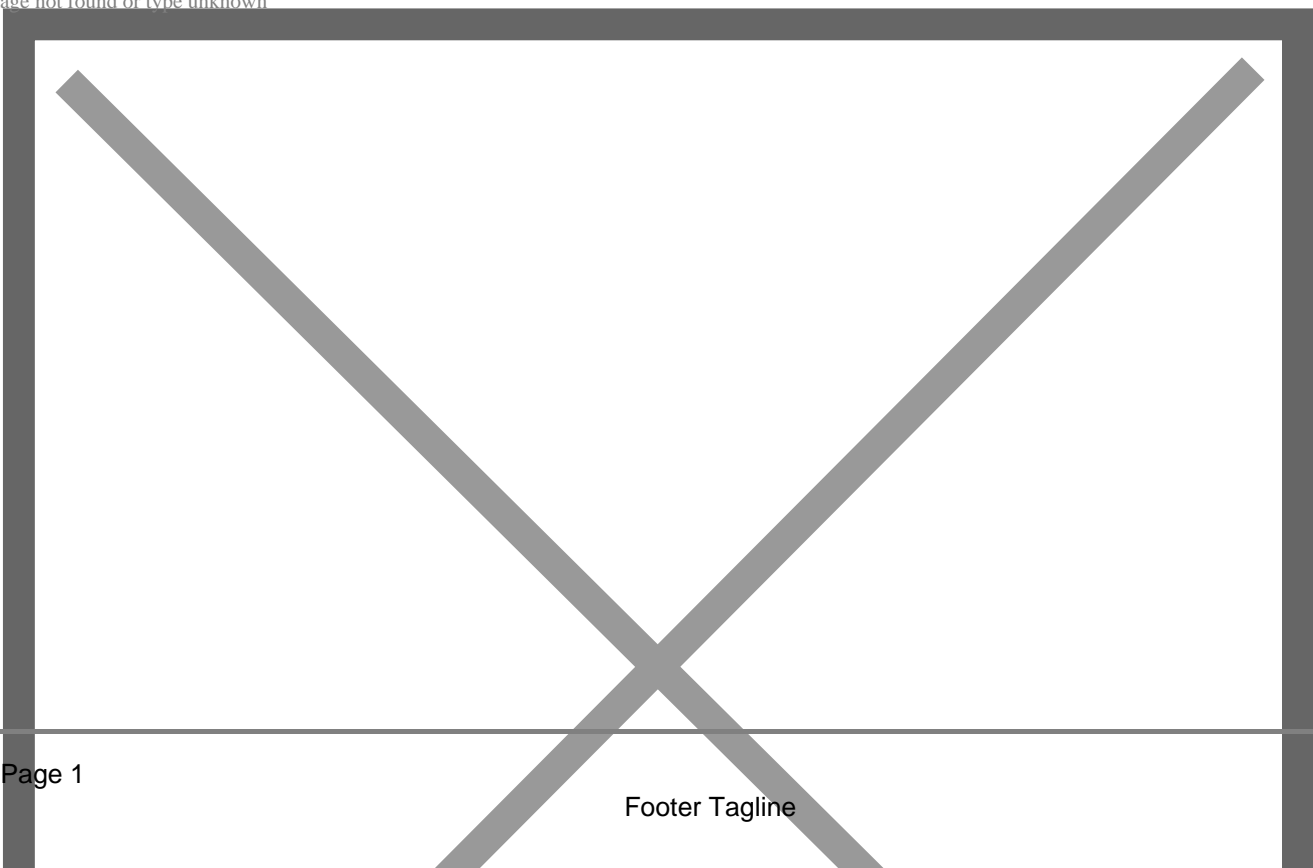

Hello friends!! I am back with a super cute card. As I mentioned in my previous post, I am currently in my home country which is India and the current season here is monsoon. I just love Indian monsoon and I came up with the similar card.

Here is my card.

I have this adorable stamp set by Simon Says Stamp but I couldn't get chance to play with it until now. I wanted to add some fun rainbow colors in my card so I created my own cloud mask and inked my background with Distress inks. The little girl and her umbrella was colored with Prisma Pencils and I added some Polka dots with my white gel pen. I love all the bright colors and sweet sentiment on my card. Hope you will like my card too.

Thank you so much for stopping by and see you all very soon.
