

Spring Rose Cards – Joy Clair

## Description P

Hello everyone. I am so excited to share my first post here as a <u>Joy Clair</u> design team member.

I have two cards to share with you all. For which I have used "<u>Ray of Sunshine</u>†collection.

Here's my first card.

card I used "<u>Spring Rose</u>†stamps set which I printed on a card stock. I first use watercolors as a base layer to color the flower, after that I highlighted it using *Polychromos* pencils. I inked the card base using *Distress Inks* and added some water drops for that cool effect and adhered the colored flower. The sentiment is from the "*Modern Duet Bundle*".

Here's the second card.

another flower image from the "Spring Rose†set and for the leaves I used "Modern Duet Bundle†set. I water colored the images using "Zig Markers". I added the black watercolor splatters on a white die cut panel and adhered the flowers and leaves with some dimensions. Added the whole panel on a white card base. The sentiment for this card is from the "Forever Movements ".

This new collection is so fabulous and versatile, I am sure you will love it.

Happy crafting. ðŸ™,
