## Description

Hello friends!! I am late with this post I made this card for the [Simply Create Too™s](#) current challenge which is all about Pink and Brown color combinations.

[ultimate-challenge-blog-hop\\_720x396](#) I am also entering The Ultimate Challenge Blog Hop with Altenew.

Here™s my card

The color

combination was quite difficult for me so went for this vintage looking card. I used the Vintage flower set by Altenew and stamped the background using third layer of one of the layered roses in brown ink and added the matching pattern paper in the bottom. For the pink color I added three pink roses from the same set and leaves. The sentiment is from Altenew too. I really like how it turned out specially with these colors. Added some sequins to finish off the card. Hope you will like this card.

Thank you so much for stopping by and see you soon. ðŸ™,
