the “Garden Treasure” set by Altenew few days back and I wanted to play with it. I did little bit of masking and stamped all the pretty images using Distress inks. The one leaf on the top right is from “Peony Bouquet” stamp set. I wanted two leaves facing other direction so used the similar leaf image from that set. Colored the rest of the images using watercolors, distress inks and Memento inks. I colored the background very lightly using red and green color, these two colors complements each other so well. The sentiment is from “Adore You” set by Altenew. Added some splatters and sequins and “Wink of Stella” glitter pen and my card was done. I cut the front panel with a decorative edge scissor with an angle to add little bit of interest. Love how it looks simple yet bright.

Thank you so much for stopping by see you all soon with a new card.
