

Thank You!! :-)

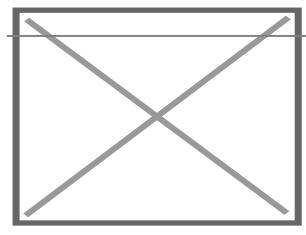

## Description

Love the bright and happy color inspiration at Altenew June

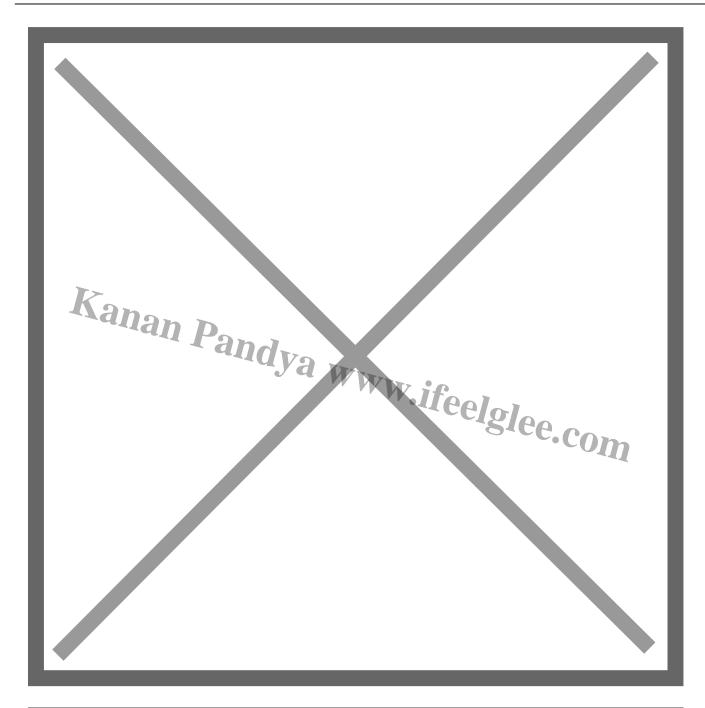

2019 Inspiration Challenge.

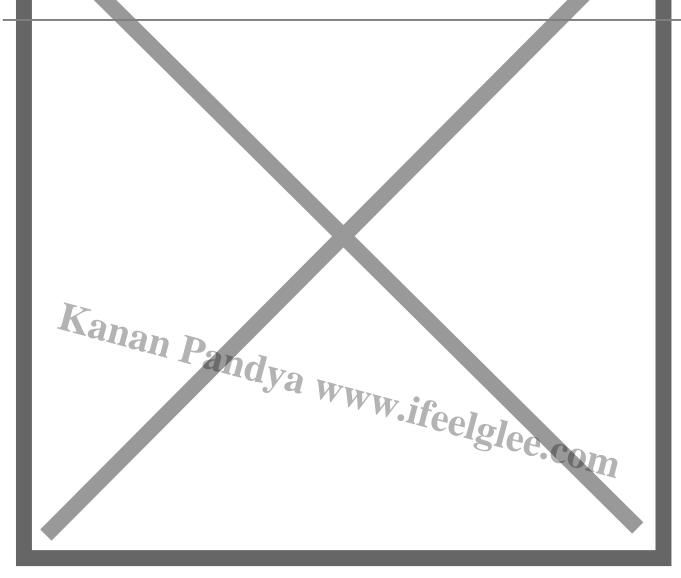

Also, entering into current "The Flower Challengeâ€

Here's my card.

I used

the "Wallpaper Art†stamp set by Altenew on my card. I created my own background by masking and stamping the images repeatedly on a card base. Water colored the images using zig markers, watercolor cakes and Distress inks. Highlighted the images using Polychromos pencils. Love the bright look of the card. The sentiment is from the same set. Hope you will like my card.

Thank you so much for stopping by.
