

Thank You!!

Description

Hello friends!! I am here with a new card.

Here's my card.

Image not found of type unknown

I used “

Ornate Foliage” set by Altenew. I water colored it using *zig markers*. I splattered the card base using blue color and adhered the images on it. The sentiment is from the “*Wallpaper Art*” set. I love the brightly colored flowers against that splattered background. Hope you will like the card too.

Thank you so much for stopping by, see you all soon.
