Hello everyone!! I am here with a new card.

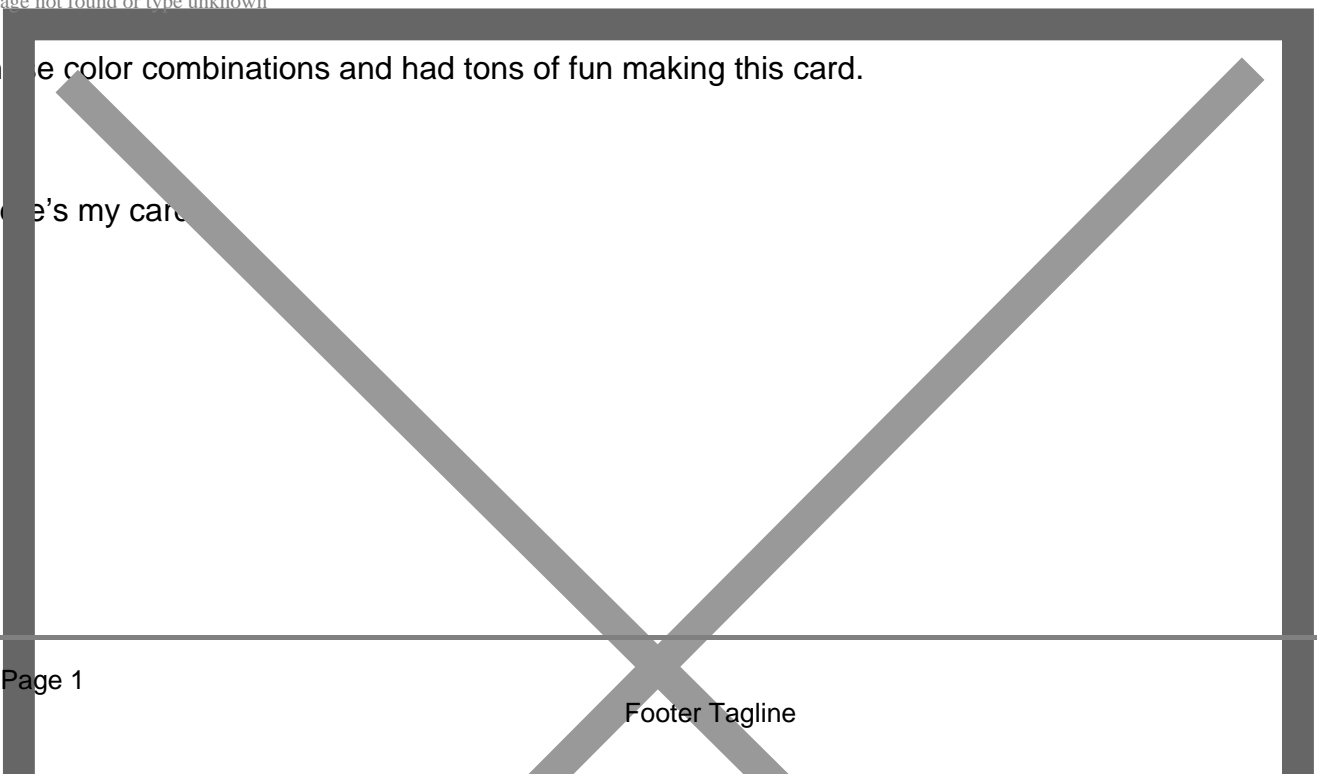

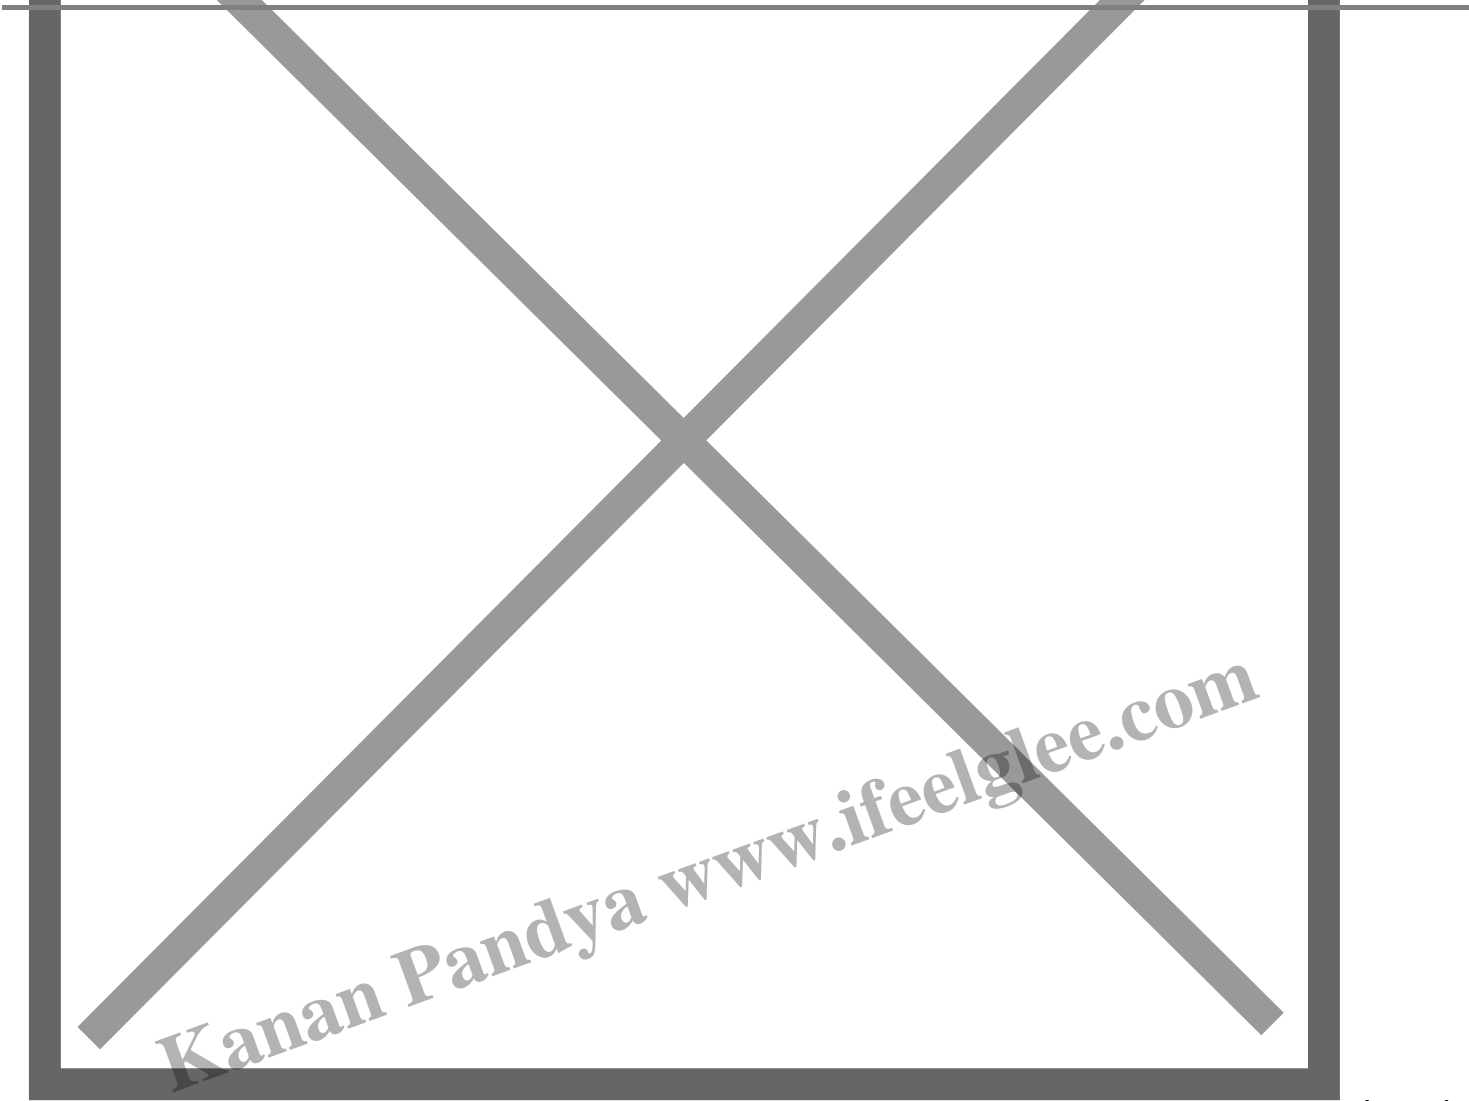

Love

these color combinations and had tons of fun making this card.

Here's my card

I used

one of my most favorite stamp set “*Watercolor Wonders*” by Altenew for this card. I decided to use only one flower image which I stamped on a watercolor paper. I stamped and watercolor it using Distress inks and also used zig markers to highlight some of the areas. Adhered the images on a white card base and splattered some green watercolor and lastly, added some dew drops. The sentiment is from “*Adore You*” set by Altenew. I love how bright and beautiful that flower looks against that CAS background.

Thank you for visiting. ?
