

Thank You

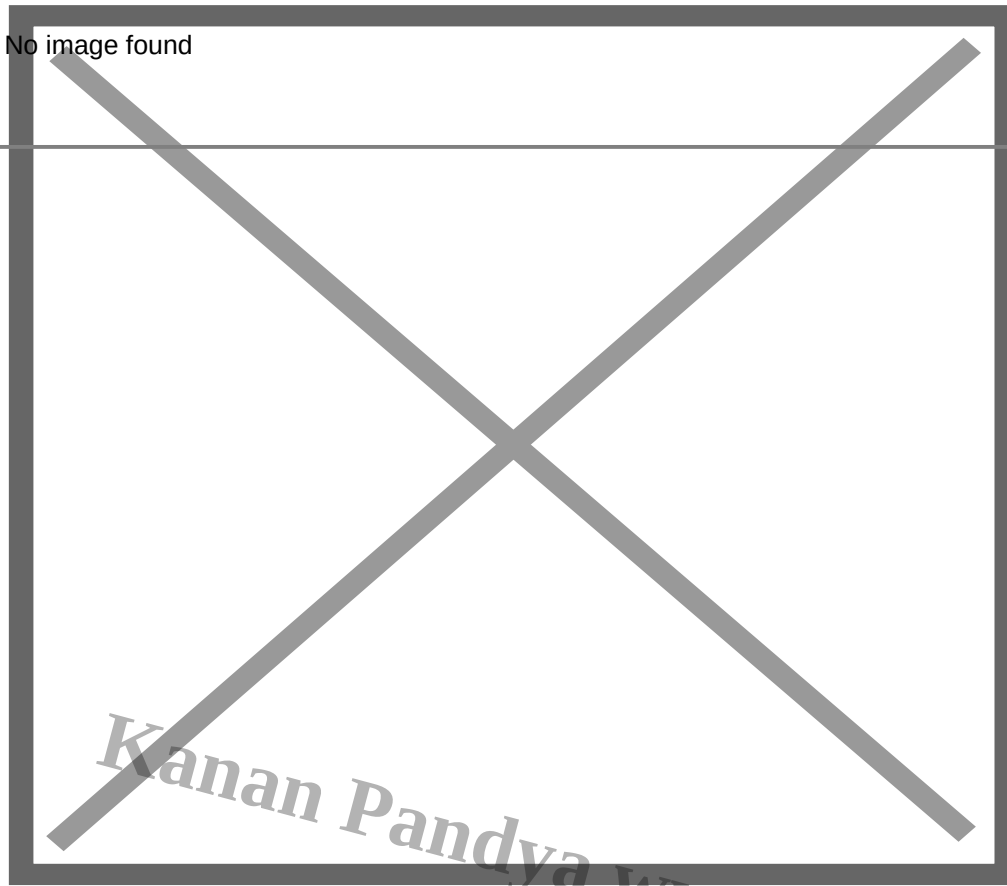

Description

Hello friends, I am back and this time its a card.

[cfc101](#) I like this week's challenge at CAS-ual Friday. Stamp on designer paper, sounds cool right?

I came up with this card.

I always love combinations of

green and pink. I am having this designer paper from American Craft which has this beautiful designs with soft green color so I stamped the Paisley pattern stamp by Recollections using my favorite Distress ink (Worn Lipstick). Also added magenta colored paper by Basic Grey and stamped the same stamp using Distress ink (Peeled Paint). The sentiment is from Hero Arts (CL371). Finally some stickles. The effect of Distress ink on designer paper looks so beautiful, I would love to try this technique again and again.

Thank you so much for stopping by. ðŸ™,
