## Description

Hello friends. How was your weekend? I am back with my this week's first card.

I am submitting this card in few challenges.

[case12](#) not found or type unknown

So my card is base on above sketch from CASE this sketch challenge #12

[muse2\\_suzanne](#) not found or type unknown and the colors of above cards and the pretty flowers by Suzanne's card in Muse Challenge #2

I made this card

[20130128\\_151252](#) not found or type unknown

So my inspiration came from above two Challenges. I love the sketch and I was having many ideas and then I saw Suzanne's card on Muse Challenge, I love the colors and the flowers so thought to include those on my card.

I embossed my flower stamp which is from Michael's store on Basic Grey's – Hello Luscious paper and then separately embossed the same and colored it with Distress ink (worn lipstick) and Memento ink (lady bug), I embossed the Hero Arts (CL371) Sentiment on Basic Grey's – Serendipity paper and use the Memento ink on its border and also on card base.

Thank you so much for visiting and see you soon. ?
