## Thanks for being my friend!!

## **Description**

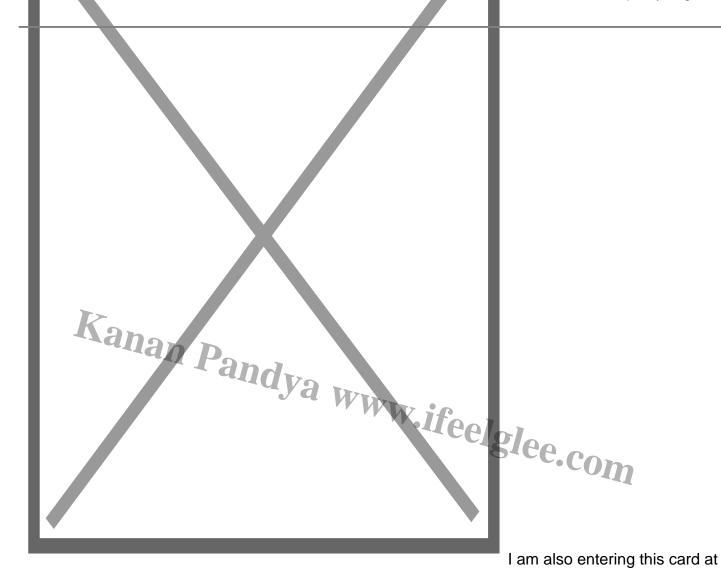

Hello all, A very girly card today. ðŸ™,

## Magnolias

As always this week's Tuesday Trigger is also very very pretty. Love all the shades of pink and orange yellow in between.

So I came up with card

Kanan Pandya www.ifeelglee.com

current challenge at Hero Art, its all about "Her†this month. I used Hero Arts (CG171) stamp for my main image, I inked it with different Memento inks and stamped it on white card base and applied very lightly the same pink ink on the edges. The sentiment is also from Hero Arts (CL351) stamp set, it is very long sentiment, I don't wanted to stamp that long in one line, so I stamped it in two lines. I added few patterned paper from BasicGrey and American crafts as embellishment.

Thank you so much for stopping by. ðŸ™,
