[ofc132](#) I wanted to make a masculine card and I really like the current CAS-ual Friday Challenge where you can not use kraft as a color and you have to use ribbon on your card, great twist.

Here's my take

Penny

Black is one of my favorite company and hedgehogs are the cutest stamps and currently it is my most favorite stamp. I use one of the hedgehog image who is driving a truck. I colored the image with Prisma pencils and used all masculine shades for it. I love this sweet sentiment by Hero Arts and thought that it would be perfect for the image. I adhere the image on a die-cut which I colored with Distress ink. I wanted to keep my card clean but still I wanted to use some embellishment. I chose this yellow ribbon by American Crafts which was gifted to me by Jayne. I punch a hole and attached the ribbon through it. I really like the cute image and clean look of my. Hope you will like my card too.

Thank you for always leaving sweet comments on my cards. See you all very soon. ?
