

Thinking of YOU!!!

Description

Hello friends, hope you had a great weekend.

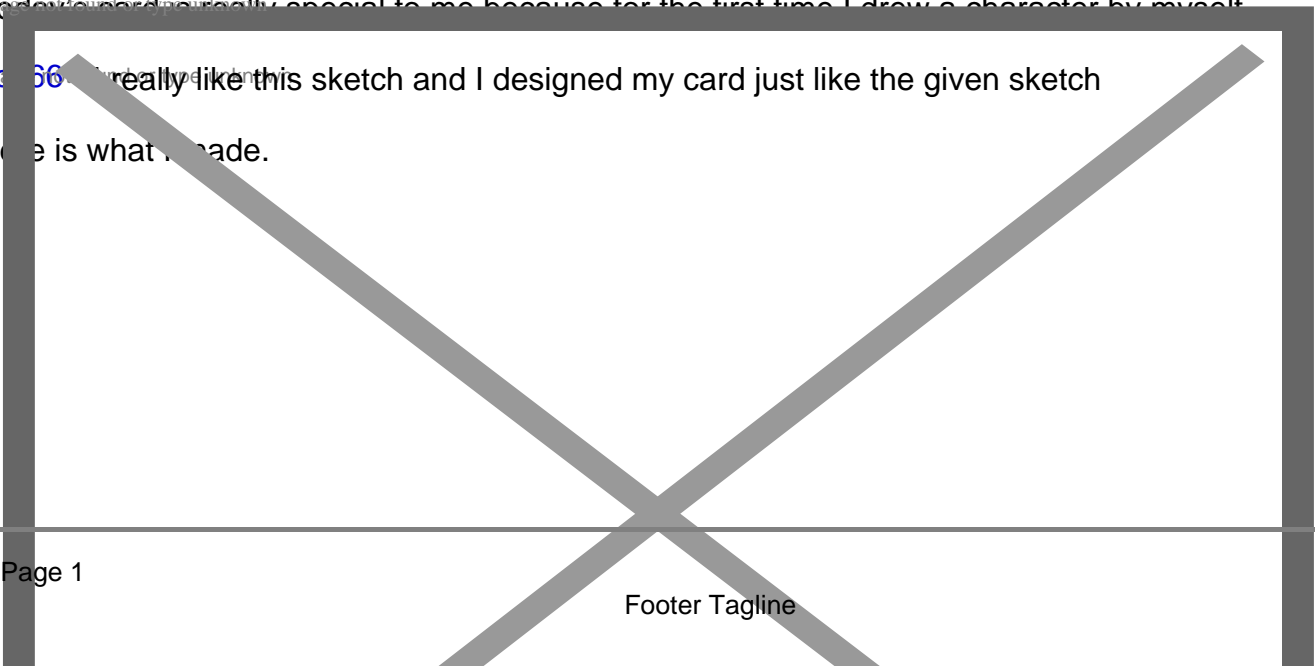

Image not found or type unknown

Today's card is really special to me because for the first time I drew a character by myself

ac 66 really like this sketch and I designed my card just like the given sketch

Here is what I made.

always add my hand drawn images on my card but this time I tried something new. First time I drew a little girl sitting in window who is gazing at stars. I created the bricks window frame and colored it with Prisma pencils, after that I drew a little girl with these curly hair. I wanted her to sit in window and gazing the stars, so I created the sky with Distress and Memento inks. Stars are also hand drawn which were colored by Memento marker. Added some stickles on the star. I found this Hero Arts (CL371) sentiment perfect for this scene which I stamped on a spellbinder die shape and added twine and pearl for embellishment. The background and the strip's papers are by Basic Grey. Love this little scene.

Thank you so much for stopping by and see you soon. ?
