Description

Hello friends!! Today I have a "Mother's Day" card for you.

I cut this gorgeous floral bouquet out of a patterned paper. I splattered the card base with some green, red and black inks, adhered the floral bouquet on my card base with some dimensions. Used two different sets to create the sentiment. I love how it turned out, the flower image with the matching splatters looks so so pretty and still the card looks so clean and simple. Hope you will like this card.

Thank you so much for stopping by, see you all soon. ðŸ™,
