[Collage](#) This Tuesday Trigger is so beautiful, isn't it? Love all the colors and mix of images. So for the first time I made a collage card.

This is the final look of my card.

I love

---

the collage style on card, mix of images, colors in a very artistic way, it always looks beautiful. So for my card, I started with a patterned paper which was having very light shades of pink and yellow, on that I stamped images from Hero Arts "Remember", Penny Black's "Post Card" stamp, Tim Holtz stamps, WPlus9's "Fresh Cut Florals" in random positions with various Memento and Distress inks. I wanted to add little dimension on my card so I die cut the layered butterfly by WPlus9 by using some printed paper. I colored it with Distress inks, sprinkled some water drops and added some pearls on it. I just love this "Today I wonder..." sentiment by Hero Arts, I thought it is perfect for my first collage card. I am very happy with my first experiment. ðŸ™,

Thank you for visiting and see you all soon.
