always love Penny Black's images and this stamp set is one of my favorite. I wanted to create a winter scene with traditional colors, so I used various shades of green of Memento and Distress inks for the winter sky scene. I colored this super adorable image from the "Gift Giving" set by Penny Black with Prisma pencils. I used white gel pen for the snow flakes. Adhere the image with some dimensions and finally adhere everything on my card base. The sentiment is white embossed and it is from the "Joyous" stamp set by Penny Black. Finally some red, green and diamond stickles. I really like all the traditional colors, hope you will like this card too.

Thank you so much for stopping by and see you all soon. ?
