

You Are Amazing!!

Description

Hello friends!! I am here with a new card.

It's the

final stage at [CASometry Challenge – Stage 3 by Anna](#). I participated first time in this fabulous challenge and I thoroughly enjoyed it. Such a clever challenge.

Here's my card.

the final stage, we have to use the stamps/die which we have already used for one of the previous stages. I chose Addie's Garden™ stamp set by Winnie & Walter's stamp set which I used for the stage 1. This time I chose much lighter shades and kept my card clean and simple. I used Zig markers to color the flower and the background (which is colored with cool grey color). The sentiment is by SSS. Added some shimmer on flower with Wink of Stella clear glitter pen. I added some sequins and patterned paper to add more interest. *I did not use any geometric shape for my first stage which I realized only now. :O. But, I must say I enjoyed a lot playing in this fabulous challenge.* Thanks Anna for all the inspiration. ðŸ™,

These are all the cards which I made for CASometry Challenge – Stage 3
