Hello friends, I finally got some time for crafting.

I made this card and tried to keep it clean and simple.

this cute image of hedgehog blowing heart bubbles by Penny Black. I want to keep my card one layer and simple, so I stamped the image first and then I only stamped the heart image few times to show the more bubbles. I colored them with Prisma pencils and added some stickles on it. I wanted little bit of colors on my card base as I found it too plain, so very lightly I inked my background with Distress inks. I hope you will like this cute and simple card.

Thank you all for visiting and please stay tuned as I am coming with one more card. ðŸ™,
