Here's the video... ?

I started with a watercolor panel and used two shades of Distress inks to watercolor it. I used Altenew's "Striped Florals" set. I stamped few of the images with Memento inks and colored them using Prisma colored pencils. Arranged them on the watercolored panel and adhered them. Used one of the sentiment from "Persian Motifs" set. Finally finished the card with some sequences. I love all the bright colors on my card, hope you will enjoy my first video and this card. I would really appreciate if you subscribe my YouTube Channel.

Thank you so much for watching the video and visiting my blog. ?
