## You Are Precious

### Description

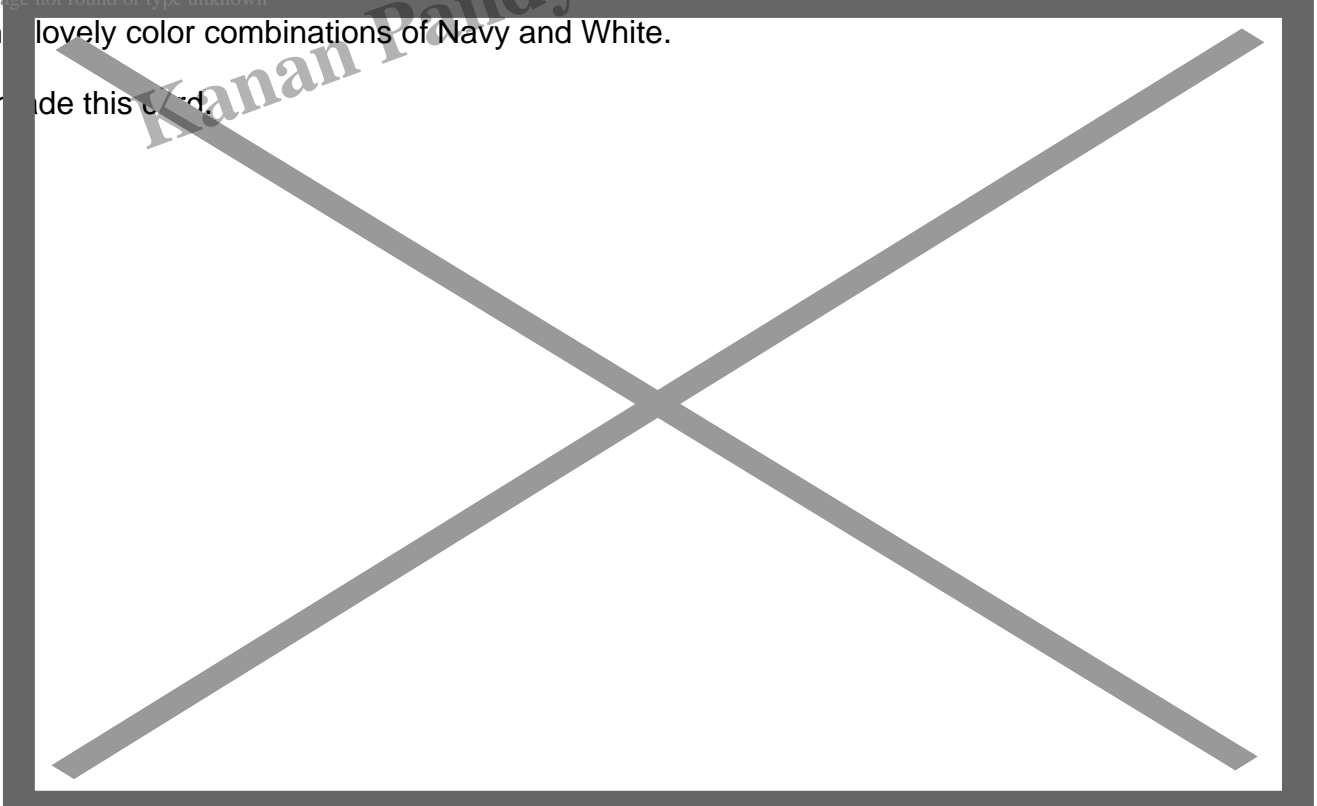

Hello friends I am back!!!

Image not found or type unknown

**Navy Blues** Always love the combinations of blue and white this week's Tuesday Trigger is having the lovely color combinations of Navy and White.

I made this card.

received my stamps by Clearly Besotted which I won in CASology challenge. I choose the navy blue card base and clear embossed the flower stamp from "You Are" stamp set. For the front panel I used watercolor paper, I wanted the image very light water color look so I first wipe the stamp with baby wipes and inked the stamped with two different shades of Memento inks. I wanted to add the blue stripes on my card just like the inspiration picture but I do not have any plain border stamp so I used the back side of the designed border stamp by Fiskars which was having the flat plain straight base. Lastly added the blue gems which is a gift by my friend Kailash. I love the elegant look of this card with the monochromatic look. ?

Thank you for stopping by. ?
