Love this Tuesday Trigger, I got inspiration from this picture to make my card.

For the Weather unknown I came up with this card.

---

not have any stamp of love birds, so I hand drew the tree and love birds, colored them with Prisma pencils. I love the grey background in the inspiration picture so, I created the background with Memento ink using the scalloped edged border. Those white little flower looks very pretty in the picture so, I cut few leaves from one glitter patterned paper. I used doily instead of pearls as I do not have any pearls. I colored the doily with Memento Ink (Pear Tart). Sentiment is from Hero Arts (CL 351). Also, added some glitter on the feathers of birds. I simply enjoyed making this card because everything is hand drawn.

Thank you so much for stopping by. ?
