Hello friends, hope you all are doing good. I have been crazy busy the last few days and couldn't get time to post or create anything but, today I am going to share two bookmarks which I have created to give it along with few more goodies at my daughter's per-school for the Valentine's Day party.

the adorable fox image with the heart balloon from the “Hug Me” set from Altenew. I water colored the images using Zig markers. I inked the top part of the bookmark using pink/blue Distress inks. I added some bakers twine. The sentiment is from the “Doodle Buds” set by the WPlus9. I created total twelve of these, my daughter really loved it. Hope it will bring a smile on your face too.

Thank you so much for stopping by and see you all in a bit as I have one more post to share with you all. ?
