Week 09 - BOOK This week's cue word at CASology is BOOK. I love reading books. So to create a word using this cue word was so much fun.

I made

the card.

this beautiful stamp set by Penny Black “A day in Paris”. I used few images from that stamp set. Some times by just reading a book you virtually travel to so many places, so I made my card like the same as the girl is reading a book and she dreams about Paris. So much fun isn't it? After seeing this images and keeping “Book” word in my mind I created this sentiment and write in with marker. I masked the card base and inked it with Distress ink and drew a thought bubble for the dream image and arranged everything on my card base. The orange stripes are by BasicGrey, Lastly added my favorite stickles. I am very happy with this card, I guess I any book lover would love to receive it.

Thank you for stopping by and see you all soon. ?
