

Butter Fly Card – Varada Sharma Designs

Description

Image not found of type unknown

Hi everyone. I am on [Varada Sharma Designs](#) blog showcasing the “[Spring Blessings](#)” release. This is fantastic release with amazing flowers and butterfly and so much more.

Here's my card

I used

stamp set for this card. I printed the butterfly image on a mixed media paper. I used Polychromos pencils to coloured this beautiful image. I used bright shades of pink, and reds. I always used white as my card base so this time I went wild and used bright maroon card stock for my card base. I added my butterfly using some dimension. Added white dots around the image and gemstones for that magical look. Love this bright and bold card
