The

Also,

adding this card to the current Simon Says Stamp Wednesday Challenge Blog – Spring Inspiration Colors.

“Thoughts and Reminders” set is my favorite and I used one of my most favorite and encouraging sentiment from it in the place of picture of the given sketch. Also used my another favorite stamp set by Altenew “Adore You”. I stamped few of the flowers and water colored them using zig makers in all the spring colors. I added black splatters and created the background added everything on my panel. I also added some matching patterned papers. Lastly added some sequences and added the main panel on my card base. I really enjoyed making this little layout inspired by the beautiful sketch. Hope you will like this card too.

Thank you so much for stopping by and see you all very soon.
