love the Persian Motifs stamp and this time I colored one of the flower using Prisma Colored pencils. I was having the same patterned paper which you can see in the inspiration picture, few months back I made a white on white card using the same paper which you can see it [here](#). I used the same paper and die cut it and adhere my flower on it, love how the flower looks against that textured paper. I used the gold glitter paper and few punched butterflies and lastly added some glitters on flowers. Love all the elements on my card, hope you will like my card too. ?

Thank you so much for visiting, see you all soon. ?
