This is

my second entry for the current Altenew Inspiration Challenge.

Also,

entering in the current SSS Moodboard Challenge.

For this card I tried the “Dot coloring” technique. I learnt this fabulous technique from [Alex Syberia](#), She has many beautiful post and videos where she has showcased this technique. Her work is amazing. You can use this tag **#dotcoloringwithalex** on INSTAGRAM to share your project using this fab technique.

Here is my take,

I stamped the floral image from the “*Charmed*” set and water colored it using zig markers. For the details and dots I have used *polychromos colored pencils, water colored pencils and fine tip pens, zig markers and whit gel pen*. Also, splattered the background using same colors and added the sentiment. I wanted to give this technique a try and I am really happy with the result. Love how it turned out. Hope you will like my card.

Thank you [Alex](#) for the inspiration. I am sure going to use this in my future projects. ?

Thank you so much everyone for always stopping by and leaving your lovely comments, it means a lot to me. ?
