Description

Here's the second card which I share on her blog.

For

this card, I used the same floral image from [“Whole Lot Of Awesome”](#) set. I blended the image using blue, purple and green Distress inks. Instead of using white or any neutral colour background I decided to use coloured card stock. I die cut teal blue card stock using Waffle Flower Crafts scallop die shape. I adhered the image onto it with some dimension and added some gemstones. Added some white dots using a gel pen. I used only a portion of sentiment from the same stamp set. Love the bright background against those brightly coloured flowers.

Thank you so much for visiting, see you all soon. ðŸ™,
