Steps:

I printed the beautiful flower image on a 110 lb white card stock. I watercolour the images using Zig Markers. I used a mix of yellow and orange shades for flowers and for leaves I used a mix of greens. Adhered the images on an off white card base. After that I added the sentiment which is from the "Whole Lot Of Awesome" set. Lastly, I added black splatters and matching gemstones.

Thank you so much for visiting, I hope you like my cards. I enjoyed using these fabulous images by Varada.
