Hi friends, this is my third & last post for today, you can find my first post [here](#) & second post [here](#).
for family challenge Love the current challenge at Penny Black blog "For Family", I am entering
my card for it.

I was

having this cute Postcard stamp (1369L) by Penny Black for quite a long time, which I never used before. I stamped it on a cream colored cardstock and inked it with Distress Ink (Antique linen).. love the old postcard look. Few days back I visited an Antique Store and purchased few things from there. For the packaging, the store lady used this old paper. I saved it so I can use it for my projects. Tore few strips from paper, inked it with the same ink and adhered it on my card. For some extra cuteness, I added few more elements. ?

Thank you so much and see you until next time.
