mentioned before also, I am in love with Penny Black's new stamps, Lulu collection. I made this bookmark using Lulu's few friends, I colored them with Prisma pencils after that used some Distress ink (Antique Linen) directly on them. For the bottom I created little pocket and pass the thread for balloon into that pocket, I used some foam dots for the balloon and some stickles too, on top of the sentiment I adhere the little doggy. These cute images would definitely put smile on the person's face while reading the book.

Thank you for stopping by. ?
