Here's my card

I used the adorable set “Furry Kisses” by Simon Says Stamp for my card. I colored the images with Faber Castell Polychromos pencils. I die cut the front panel using scallop circle die by spellbinders and inked it with Distress inks and I splatter some water and after everything was dry I splattered some gesso on it. I love the white on that background. I added my images on the panel and for embellishment I made little banner using Pebbles pattern paper, I love the little hello on it. The sentiment is also by Simon Says Stamp from “Hello Friends” set. Lastly added some stikles. Hope you will like my cute card.

Thank you for stopping by and see you all very soon. ?
