

## Good Memories

### Description

Hello all!!!

Today was the scramble day at Hero Art Flicker group by Jayne and she has give us a lovely theme. Create a project with a photo frame, slant at least one element and embellish your project with at least one metallic element. Sounds so fun right?

I come up with this card.

I used

CL305, CL439 and CL695 by Hero Arts for the little scene and sentiment. The metal element on my card is the butterfly pin and I embellished the frame with some flowers by Martha Stewart.

I created a Polaroid frame using off white CS and American Crafts paper, I inked the frame with Distress ink (Antique Linen) for the background paper I used October Afternoon's paper, some craft thread. I just had fun playing this challenge.

Thank you so much for stopping by and see you all soon, have a great weekend. ?
