Here's my take

I used

the “Cute Cluster” die from Paper Smooches for today’s card. First I water colored the background using Distress ink with wet on wet technique as I wanted more of puddle look. I also water colored the inside of the die cut pieces using “Artist Loft’s” watercolors by Michaels. I colored those flowers and petals in rainbow colors. I splatter some gesso on the background and adhered the die cut. Lastly added some sequins. The sentiment is by Altenew. I really love how all the colors looks pretty against that bright background, I did used all the bright colors of rainbows yet it has soft effect. Hope you will like my card too.

Thank you so much for stopping by and see you all soon.
