Here's my take

I used

the “Floral Shadow” set for this card. I inked the flower and leaves images using various shades of Distress inks, Memento inks and chalk inks by Martha Stewart’s and spray the inked images with a spray bottle and stamped it. After that I fussy cut them. I used the same shades for the splatters on my card base. Adhere those flowers and leaves very loosely on that card base. Added the sentiment from “Persian Motifs” and few sequins. I love how bright and pretty it looks and those water splatters on the images added some texture to it. Hope you will like my card.

Thank you so much for stopping by and please stay tuned as I am coming back soon.
