On my card all these cute animals from Simon Says Stamps “Abby’s Spring Showers” set and “Baby Party Animal” set are going to a birthday party and that big bear is a strong guy and supporting all those little cuties. ? When I saw the cue word at CASology and the sketch at the Simon Says Stamp Flickr challenge, I got this idea. I used my Faber Castell Polychromos pencils to colored the images, I went for very soft look and colored them using all the soft shades. The sentiment is also by SSS “Happy” set. The card is pretty much one layer except those glitter dots I added using stikles. Hope you will like my card.

Thank you all for visiting and see you soon. ?
